Welcome to Australia! Upon arrival at Sydney International Airport, you will be met by a John Hall's Alaska representative and transferred to the InterContinental Hotel Downtown Sydney for early check-in. As the name suggests, the hotel is situated by Darling Harbour. Radiating from the harbor, Australia's largest city stretches from the shores of the Pacific Ocean to the foot of the Blue Mountains. Many great days lay ahead and this evening is just the start. Enjoy a welcome reception, followed by a Sydney Harbour dinner cruise - taking in views of the Rocks area, Sydney Opera House, and Sydney Bridge over sunset. What a wonderful way to begin an adventure!

Dinner

2 SYDNEY OPERA HOUSE & CITY SIGHTS

This morning, embark on a city sights tour taking in the historical Rocks area, where the First Fleet landed in 1788 to establish Australia's first European settlement. Other highlights include Chinatown, cosmopolitan Kings Cross, and world-famous Bondi Beach. Returning to town, head to the Sydney Opera House for a fascinating guided tour. Sixty years ago, Jorn Utzon designed what is now considered one of the greatest buildings of all time. Following lunch, the final stop on the day's tour is Mrs. Macquarie's Chair on the harbor foreshore. The sandstone chair was carved by convicts for Governor Lachlan Macquarie's wife in order for her to watch the activity on the harbor and await the arrival of ships from England. The point provides wonderful views of the Sydney Opera House, the Harbour Bridge, and Fort Denison. This evening, enjoy a special group dinner outing.

Breakfast, Lunch, Dinner

3 AUSSIE WILDLIFE & BLUE MOUNTAINS NATIONAL PARK

Today discover the beauty of the Blue Mountains! Near here is Scenic World, and an afternoon of highlights. Take a ride on the Scenic Railway, the world's steepest incline railway, and travel through ancient rainforest. Disembark and walk the 300-meter rainforest boardwalk to connect with the Flyway platform. The Scenic Cableway is the steepest aerial cable car in Australia that travels 545 meters up through the UNESCO World Heritage rainforest of the Jamison Valley. The final adventure of your visit is the Scenic Skyway journey 270 meters above ancient ravines and dazzling waterfalls. This ride boasts a world-first, state-of-the-art Electro-Scenic Glass Floor. The 360-degree bird's-eye view takes in the Three Sisters, Katoomba Falls, Mount Solitary, and the never-ending expanse of the Jamison Valley. Time to return to Sydney for dinner.
