SOUTHERN AFRICAN ADVENTURE

THE SOUTHERN AFRICAN ADVENTURE AND EXPERIENCE

Expert Drivers and Guides

All World Adventure packages are fully-guided by individuals who understand and are experts in the field, history and regions visited. While in Southern Africa, John Hall's Alaska will pair with expert drivers and guides who have extensive knowledge and will share information during the World Adventure. All tours also include a John Hall's Alaska representative to ensure all John Hall's Alaska standards are met throughout the program.

Dining Style

All meals are included while traveling with John Hall's Alaska World Adventures to South Africa, Zimbabwe, Botswana and Namibia. When possible, programs support locally sourced businesses with the ability to provide the most authentic experience. This includes a variety of local fruits, vegetables, fish and other proteins unique to the countries. A variety of options will be available for guests during their dining experiences. **Please let us know at the time of booking if there are any food allergies or intolerances.**

Beverages

Complimentary beverages will be provided at breakfast, lunch and dinner including unlimited water, coffee, iced tea, soft drinks and lemonade. During dinner meal service, a choice of alcoholic beverage will also be offered. A variety of alcoholic beverages are included and offered while visiting Shamwari Private Game Reserve. Premium beverages, bottles of wine or other high end alcoholic drinks may be an additional charge.

Wireless Internet and Electricity While Traveling

All included hotels provide free wireless internet, although some only provide access in the hotel lobby.

Power outlets for use during the Southern African Adventure operate on 220/230 volts AAC50 HZ. Plugs can be found in either 2 or 3 prongs and will vary by property. Please make sure adaptors and converters match this type of plug. We recommend verifying if personal electronic devices have built in converters.

Baggage Handling, Tax and Gratuities

Don't lift a finger! We take care of all luggage, delivering it to the guests' room each evening and picking it up for departure. All entrance fees, hotel charges, taxes, fees and resort fees are included. In addition, gratuities for activities, meals, baggage handling, local guides and drivers are also included.

****Gratuity for your John Hall's Alaska representative is not included with your package and is at your discretion. We recommend \$7-10 per person, per day, for the entire duration of the trip.**

THE SOUTHERN AFRICAN ADVENTURE AND EXPERIENCE

Cell Phone Usage

Cell phone reception and availability will vary depending on carrier. Please check with your carrier on international cell phone opportunities. John Hall's Alaska recommends guests have minimal international service in the event of an emergency or departure from tour. Many carriers will offer basic cell phone plans which are only charged for days cell phone is used.

Checked Luggage

During the Southern African Adventure, guests will be limited to one suitcase per person weighing under 44 pounds. This is a requirement of the regional carriers serving air travel between South Africa and Botswana.

Carry on Luggage

Carry on luggage size is also restricted to 35 linear inches total (length + width + height). Several TSA approved rollaboard carry-ons are too large. We recommend the largest dimension being 18" which should include most backpacks, purses or medical devices.

What to Wear

The dress code is 100% casual. Comfortable walking shoes are a must (closed-toed shoes with good traction) for days spent touring. Please remember to pack beach wear including swimsuits, sunscreen, sunglasses, bug spray and sandals. Consider bringing a small pair of lightweight binoculars. Evening attire is smart casual yet comfortable, so plan for golf polos, dresses and other easy to pack items. Almost all properties have send-out laundry service to ensure laundry is available throughout your experience. To pack light, we highly recommend travelers take advantage of this service.

It is recommended to avoid wearing black and navy blue while on safari experiences. Navy blue attracts the tsetse flies, so it's recommended to avoid wearing navy blue at all times, even while in Cape Town. Black can be worn on travel days, during Cape Town experiences or during time at lodges. Lightweight and quick dry material is an essential for travel. Due to the color of the soil, we recommend avoiding white clothing at all times.

During safari, lightweight yet multi layers are recommended. Light colored khaki, blue, green, grey and tan are the best apparel color choices. Avoid white due to the stains from dirt on game drives. We highly recommend avoiding camouflage and other regalia as this often resembles military and is illegal in some areas of travel. It is also important to remember most safari game drives include speeds in open vehicles of 35-50 miles per hour. This can significantly impact guest warmth and comfort.

Group Flights

All flights for traveling within South Africa and Botswana are included as part of the package.

Remember layers for cool mornings and evenings while traveling onboard safari vehicles.
